KALASAN
HORTICULTURE SERVICES

EXPERIENCE CERTIFICATE

This is to certify that **Mr. Ashutosh Rawat** was employed with **Kalasan Horticulture Services Pvt. Ltd.** in the capacity of **Project Support Officer** from **09 January 2023** to **10 November 2023**.

During his tenure, Mr. Rawat played a key role in the planning and establishment of **High-Density Plantation (HDP) Apple Orchards**. His core responsibilities included:

- **Project Lifecycle Support:** Assisting in the end-to-end execution of large-scale horticultural projects, from site assessment to plantation.
- **Field Coordination:** Managing on-ground logistics and coordinating between technical teams and laborers to ensure adherence to timelines.
- **Technical Assistance:** Supporting the implementation of precision farming techniques, irrigation layouts, and specialized canopy management protocols.
- **Data & Documentation:** Maintaining field records, analyzing operational workflows, and ensuring technical standards met departmental and company quality norms.

Ashutosh demonstrated exceptional professionalism, a strong work ethic, and a quick grasp of complex agricultural systems. He showed an ability to work independently and manage project-level challenges with discipline. His performance and conduct were found to be exemplary throughout his association with the organization.

We appreciate his contributions to Kalasan Horticulture and wish him the very best in his higher studies and future career.
